PROFESSIONAL SUMMARY

Graduate Trainee at Tata Consultancy Services (TCS Ignite) with training in Java, SQL, React, Python, Git, Docker, and testing tools (ILP score: 88%). Built full-stack projects using Java 21, Spring Boot, REST APIs, Spring Security with JWT, JPA/Hibernate, PostgreSQL/MySQL, and React, including AI-integrated applications using Spring AI and Google Gemini. Seeking Java Full Stack, Java Backend, or Associate Software Engineer roles.

TECHNICAL SKILLS

Languages: Java, SQL, Python
Backend: Spring Boot, Spring Security basics, Spring AI, REST APIs, JPA
Frontend: React.js, JavaScript, HTML5, CSS3, Bootstrap
Databases: PostgreSQL, MySQL
Security: JWT Authentication, Role-Based Access Control, BCrypt Password Hashing
AI Integration: Spring AI, RAG, Agentic AI
Testing: Selenium webDriver(using Python), API Testing

EXPERIENCE

Tata Consultancy Services (TCS) — Graduate Trainee, TCS Ignite **January 2026 – Present**

- Completed TCS Ignite training covering Java, React, Python, SQL, Selenium, Git/GitHub, Docker, JMeter, and SonarQube; achieved an overall score of **88% in the ILP examination**.
- Contributed to backend development of the Development Enhancement Evaluation Performance Tracker (React, Django, PostgreSQL) in an Agile team; used Selenium for frontend automation and pytest for API testing.

PROJECTS

AIHire — Enterprise AI Recruitment Platform GitHub

Tech Stack: *Java 21, Spring Boot, Spring Security, Spring AI, React, PostgreSQL, PDFBox, Docker*

- Built a full-stack recruitment platform with a layered Spring Boot backend, JPA/Hibernate persistence on PostgreSQL, a React frontend, and Docker-based setup.
- Implemented authentication with Spring Security, JWT access and refresh tokens, and BCrypt password hashing, with role-based access for candidates, recruiters, and administrators.
- Implemented PDF resume upload and text extraction with Apache PDFBox; integrated Google Gemini through Spring AI for resume analysis and resume-to-job matching.

Sniply — Text and code sharing platform GitHub | Live Demo

Tech Stack: *Java 21, Spring Boot, React, PostgreSQL, Docker*

- Built a full-stack platform for creating and sharing text/code snippets through unique shareable links .
- Implemented authentication with Spring Security, JWT access and refresh tokens, and BCrypt password hashing, with role-based access for candidates, recruiters, and administrators.
- Developed REST APIs using Spring Boot an Spring Data JPA, with PostgreSQL for data persistence.
- Implemented unique snippet IDs, optional expiration and react frontend using Axios.

LogSentinel AI — AI-Powered Log Analysis Application GitHub | Live Demo

Tech Stack: *Java, Spring Boot, Spring AI, Google Gemini, Vercel, Render*

- Developed a log analysis application using Spring Boot and Spring AI, with Google Gemini assisting in interpreting application logs and identifying potential issues.
- Built a backend service that accepts log input and returns AI-assisted analysis; deployed the frontend on Vercel and the backend on Render.

Auth App — An Authentication Application GitHub

Tech Stack: *React, Spring Boot, Spring Security, JWT, BCrypt, MySQL*

- Developed an Authentication application with React and Spring Boot, with user registration and login using JWT-based authentication and BCrypt password hashing.
- Configured short-lived access tokens and longer-lived refresh tokens; used PostgreSQL for data persistence.

Development Enhancement Evaluation Performance Tracker (TCS Training Project)

Tech Stack: *React, Django, PostgreSQL, Selenium, pytest*

- Contributed to backend development of a team-based incubator project; participated in Agile activities, Selenium frontend automation, and pytest API testing.

Additional Projects: Can be found on my GitHub.

EDUCATION

Masters of Computer Application (MCA) 2026 – 2028
Integral University, Lucknow, Uttar Pradesh

Bachelor of Computer Application (BCA) — Percentage: 81.47% 2022 – 2025
Dr. Ram Manohar Lohia Avadh University, Ayodhya, Uttar Pradesh

Intermediate (Class XII), Mathematics — Result: 1st Division 2021 – 2022
F.A.A. Government Inter College, Gonda, Uttar Pradesh
